Hello! Bonjour! Goede dag! Привет!

I am a 36 years old entrepreneur with 20 years of experience in events, weddings, advertising, marketing and promotion in different countries. Extremely interested in Events, UX/ UI Web-Design, Digital-Development and animations. Simplicity, usability and style are my criteria of work in this field. And I will be always happy to follow your requests and guidance as a Partner to create something unique that represents you, your company and your vision.
